

AUTUMN 2017 PERIOD 6

Every term, Newmarket Academy staff offer you the chance to take part in a huge range of extracurricular clubs. Here is your chance to have a go at something new. It's only for one term so take a risk – open yourself up to new experiences.

Every student in Year 7, 8, 9 & 10 is expected to take part in at least one activity. Which one will you choose?

Students in Year 11 who have been requested for subject intervention must attend.

We ask that you select three clubs you would like to join, and you will be allocated to one of your choices.

Please fill in your choices on the slip provided.

Clubs run from 2.55 to 3.55pm on their designated day.

Please take time to read about all the clubs and then make your selections.

You will be committing to attend your chosen club for the entire term, so please do not ask to change once the term has started.
