

**Post:** Teacher of Mathematics/2<sup>nd</sup> in Department  
**Location:** Newmarket Academy  
**Contract type:** Permanent  
**Salary:** MPR / UPS depending on experience, plus TLR

Newmarket Academy, rated 'good' by Ofsted in May 2017, wants you to join this small, happy, ambitious school and be part of the next stage of our journey to excellence.

In May 2017 Newmarket Academy was rated 'good' by Ofsted. We invite you to join us as we move this good school to 'excellence'.

We want to be the best school in the area. We are looking to recruit an ambitious and innovative colleague to play a major role in that journey.

We are looking for a mathematics teacher to join our enthusiastic and successful team of mathematics specialist teachers from September 2019. We want you to share our team's passion for teaching and learning, someone who is keen to motivate and challenge our students. This post would suit equally an ambitious and experienced individual looking to further develop their career or an NQT seeking a first appointment.

We follow the Edexcel GCSE Mathematics course and use the Mathematics Mastery scheme of work and approach to learning from year 7 to 11, a scheme that is interleaved and enriched with problem solving, collaborative working and interactive activities throughout.

The mathematics department's results have improved significantly in recent years and it is now one of the most successful departments in the Academy, and is hungry to secure even further improvements.

Our mathematics department is an incredibly supportive team of professionals who are supported by an excellent leadership team, who draw on the wider Trust for additional support, professional development and career progression opportunities.

In the summer of 2018 the school began a multi-million pound refurbishment project sponsored by the generosity of the local community. Every classroom now has state of the art interactive whiteboards and sound systems. The refurbishment has provided the school with brand new computers for staff and students, and by August 2019 with a superb new SEND area, Engineering department, audio-visual equipment and tennis courts.

**The Academy offers:**

- Well-being day each year.
- Opportunity for career progression within first two years.
- Access to the training and professional development programmes of the Teaching and research schools in the Trust
- A very experienced NQT mentor programme

Please contact Gill Guenigault 01638 664412, or email on [gill.guenigault@newmarketacademy.co.uk](mailto:gill.guenigault@newmarketacademy.co.uk) to find out more and/or arrange a visit.

**Closing date: 12.00 noon, Friday 14<sup>th</sup> December 2018**

**Interviews: Week beginning 17<sup>th</sup> December**

We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expect all staff and volunteers to share this commitment. DBS checks required for relevant posts.

Principal: Mr.N Froy (BA Hons) NPQH
